

# PREBLE BOYS BASKETBALL FUTURES PROGRAM

The Preble Boys Basketball Futures Program is an opportunity for all grade 3-8 basketball players who live in the Preble High School attendance area to join a basketball team and develop their skills!

Teams practice 2-3 times a week to practice skills, learn about basketball, and experience the fun of participating on a team. On weekends from December through February, teams play competitively in weekend games and tournaments through the Bay Area Developmental League (BADL).
